

Hello,
We are the
Peoples Choice
Group!

Together
we can make
a difference.

The Peoples Choice Group

The Peoples Choice Group is for adults with learning disabilities/difficulties and autistic spectrum conditions across Cheshire West and Chester. We are funded by Cheshire West and Chester Council.

We run working sessions where people can learn new skills and gain confidence. We also run monthly drop-in sessions where people can meet new friends in a safe place. They can enjoy an activity, talk about things that are important to them and support each other with whatever is going on in their lives. We are especially trying to reach people who do not already get a service but everybody is welcome. Our social sessions are open to people aged 16 and over.

Once a month we have a Sunday afternoon **craft session in Northwich**, a Thursday evening **singing group in Winsford** and a Tuesday night **grub club in Northwich**. We have regular **drama sessions in Winsford** too. Each month we also have a Thursday evening **colouring club in Chester**, a Monday evening **singing group in Chester and in Ellesmere Port**. New sessions will be starting in 2019. Sessions are updated on our website under 'drop-in sessions'. If you would like more details please **contact us to get on our mailing list** to keep up to date with current information or follow us on facebook.

We support people to speak up about things that matter to them in their local communities and to gain confidence and skills.

We link into the **Learning Disabilities Partnership Board meetings** to help give people with a bigger voice on important issues. We support people to join in with the meetings and work with groups to make the easy read minutes.

Some of our sessions will be about issues like **Safeguarding and how to stay safe**. Some sessions are **supporting people to go out to organisations to tell them about the Peoples Choice Group**. We also support group members to **deliver customer service training and easy read training to organisations to help them give good service to people with learning disabilities and autism**.

Membership of our group is free and so are most of our sessions. People can come to just one of our sessions or get involved with lots of things. People who need more support are welcome to bring family, friends or personal assistants with them. Our members will get useful information from us including other events too.
