## Peoples Choice Group Cinema & Review Club

**Film watched:** Springsteen: Deliver Me from Nowhere

**How long is this film:** 2 hours

### What this film is about:

Bruce Springsteen during a quiet time in his life when he made the album Nebraska, writing songs about hard lives and feeling lost. It also shows how his childhood and relationship with his father shaped his music.

### Our favourite characters and parts:

Bruce, Jon his manager, and Faye his girlfriend.

Some of the groups favourite parts were seeing them record Born in the USA and how it changed from an acoustic demo into the rock anthem we know. Also, how the film showed mental health, especially for a man. Jeremy Allen White did a great job acting as Bruce Springsteen and even sang some of the songs himself. It was also helpful to understand the album Nebraska, where it came from and what it is about.

### Our opinion about this film:

Some good parts, but some people found it too serious.

### Our rating is out of 3 stars. Overall is nearly 3 stars:

1. didn't like it / 2. liked it / 3. loved it!

10 people voted. 1 person gave 3 stars, 7 gave 2 stars, 2 people gave 1 star!

**Would we recommend this film to a friend?** Yes!
