Film watched: Guardians of the Galaxy No.3

How long is this film: 2 hours 29 minutes

What this film is about:

Guardians of the Galaxy's home is attacked and Rocket is badly injured. The others try to save his life which leads to a complicated story of how he became who he is.

Our favourite characters and parts:

Star-Lord, Rocket Raccoon, Nebula, Mantis, Gamora, Groot, Drax, Adam Warlock and Cosmo the Spacedog. Overall everyone LOVED the music in this film! Some favourite parts: Star-Lord whistling, Rocket playing when he was little, rock and roll music when they drove the car, all the men, all the animals. The singing and fighting on the ship. The shooting and dancing, the noisy animals, the gold man that flew - he was very silly and he had a pet. Rocket Raccoon helping all his friends and at the end when they saved the galaxy!

Our opinion about this film:

Brilliant, full of action. Very emotional at times! Funny too with great music. Helps explain the story if you have watched the other 2 but still great as a stand-alone film.

Our rating is out of 3 stars. Overall is nearly 3 stars:

1. didnt like it / 2. liked it / 3. loved it!
