Film watched: Migration

How long is this film: 1 hour 31 minutes

## What this film is about:

A family of ducks living a sheltered life on a pond meet some other ducks who are going to migrate (this means fly to a different country). The family decide to migrate too. They set out on an adventure which leads them into all kinds of trouble, meeting lots of different characters.

## Our favourite characters and parts:

Pam, Mack, Gwen, Dax, Delroy and Chump. Favourite bits: The birds in the sky flying like a plane... landing in Jamaica! All the colours, the flowers and the trees. When the ducks swam and birds jumping. The music. Loved when Delroy got set free. Loved when they knocked the chef out of the plane! And when he got a frying pan on the head! Loved how close the family ducks were. The crocodile and seaside. The end - taking the penguins home to the South Pole.

## Our opinion about this film:

Very funny! A good family film.
