Film watched: Mission Impossible - The Final Reckoning

How long is this film: 2 hours 50 minutes

What this film is about:

Ethan and his team face the most powerful enemy yet: a dangerous AI known as 'The Entity' that is threatening to take over the world. Although a very long film, it is full of action and will have you on the edge of your seat!

Our favourite characters and parts:

Ethan, Benji, Luthur and Grace! Someone said they liked the helicopter and when Tom Cruise was in the water. And when the dogs pulled the sled in the snow. Another person liked when Tom Cruise was on the yellow plane. Someone said "how did he hold on?" Some of the group liked the fighting scenes, someone especially liked the fighting on the plane, "it was funny when the man banged his head!" One member mentioned they liked it the end when they all met up and went away happy as the job was done. Great music, some had a dance in their seats!

Our opinion about this film:

Action packed! But the film was too long for some people.

Our rating is out of 3 stars. Overall is nearly 3 stars:

1. didn't like it / 2. liked it / 3. loved it!

18 people voted. 9 people gave 3 stars,
9 people gave 2 stars!

Would we recommend this film to a friend? Yes!
