## What this film is about:

A magician named Magnifico sets up a kingdom where he can grant peoples wishes. A young girl named Asha is interviewed for a job as the magicians apprentice but she challenges his actions. She ends up wishing on a star and strange things happen as she tries to help people.

## Our favourite characters and parts:

Asha. Asha's friends - Dahlia, Gabo, Simon, Safi, Dario, Bazeema and Hal. Valentino (Goat), Star, Queen Amaya. Some people loved all the animals. Some people loved all the singing and the dancing. One person said the chickens made them laugh. Some people said they loved all of it!

## Our opinion about this film:

A very colourful, happy and fun Disney film. Some mild danger and darkness so perhaps not the best film for very young children or those who are easily upset. Lots of nice music. A typical Disney film.
