

Hello,
We are the
Peoples Choice
Group!

Together
we can make
a difference.

The Peoples Choice Group

We work with people with learning disabilities/difficulties and autism across Cheshire West and Chester. We are funded by Cheshire West and Chester council. We run sessions to help people make new friends and grow in confidence and skills. We help people speak up about things that matter to them. Together we have a 'bigger voice'. We are part of the Learning Disability Partnership Board.

Membership of Peoples Choice Group

Being a member is free. And most of our sessions are free. If you join we will give you information about our group and everything we do. You will also get a membership card and if you join as a group your group will also get a window sticker.

If you are a member

We can let you know about things that are happening. We might ask you what you think about things so that the people that pay for services can hear what matters to YOU. You can let us know about things that are happening. You can let us know if you need help with any issues.

How to join

We have a simple form for you to fill in to tell us how to contact you and also what you are interested in. You can join as part of a group or just on your own. If you need any help filling in the form please contact us. The form explains why we need your information.
